

GONDOLA BREAKFAST ALMKOPFBAHN BICHLBACH

Breakfast in the Almkopf cable car in Bichlbach with a breathtaking view of the Zugspitze and Lake Heiterwanger See. With a gondola ride, a beautifully laid table and a glass of Prosecco, optional coffee or tea and regional delicacies, a good start to the day is guaranteed! Info` zum Gondelfrühstück:

Up to 6 people can be seated in a gondola; if you are 2, 3 or 4 people, no additional people will be added so that you can enjoy your breakfast undisturbed.

You are also welcome to take your dog with you in the gondola.

Please note the opening hours for the summer season, as the gondola breakfast only takes place on Fridays, Saturdays and Sundays during the summer season.

Breakfast starts between 09:00 and 10:00 at the Almkopfbahn in Bichlbach.

After a welcome drink, you take a seat in your gondola and start your breakfast.

The gondola breakfast lasts approx. 45 to 60 minutes / 2 to 3 ascents and descents in your gondola - or even longer, depending on how long you want to have breakfast and takes place in all weathers.

You can also get off at the mountain station after breakfast and hike and then take another gondola back down - the descent is included in the price.

If the number of participants changes or you wish to cancel your breakfast, you must notify us at least 1 week in advance, otherwise a free cancellation is no longer possible
